ANNUAL REPORT 2023-24

MISSION INTERNATIONAL ACADEMY (M.I.A.), Sambhal aims to be the pioneer of educational institutions dedicately committed towards nurturing and fostering eminence. Westrive for excellence in each and every endeavour so as to achieve transcendence & take immense pleasure and pride to present to you a report of our activities and achievements for thepast one year i.e. 2023-24

We are pleased to present the Annual report of MIA for the academic year 2023-24. This report highlights our achievements, challenges, progress, events held during this period.

Vision

A vision without a task is dream- a task without a vision is drudgery- but a task with a vision canchange the world. Our vision can change the world. Our vision at M.I.A. is to turn mirrors into windows where we get to see the brighter side thus, removing ignorance and fear and making a society of rationalists and humanists who understand, contribute and succeed a rapidly changing society thus making the world a better place to live in.

"Success is the sweet result of hard work combined with the desire to excel and unfailing dedication"

Mission

At M.I.A., we perceive to inspire and enthuse children to develop them into well-rounded, confident and responsible individuals who aspire to achieve their full potential. We give them a pre-eminent, intellectual and a creative centre for their growth. We now have an enhanced communication between home and school that allow for a better follow up system of support provided to the students and parents. We believe this will enable the students to quickly return to learning ways at school.

Philosophy

We have significant accomplishments in A.Y 2023-24 under the motivating and proactive Leadership of our Principal and our dear teachers. The school focuses on providing an authentic learning environment where students apply knowledge and skills from multiple disciplines so as to widen their knowledge. We focus on both curricular and co-curricular activities where students are trained to have within them responsibility, loyalty, team spirit and healthy Competition. Different class activities were organized from Nur. to Class XI to allow them critical thinking, creativity, imagination, and expressiveness through the digital tools that were available to them.

Learning in play way method was adopted for better understanding of the students. Lots of colouring & drawing activities, games, clay art, fancy dress, poems, self presentation, Dance & singing were organized in Kindergarten.

Various in hand games and activities for demonstration of the concept of different subjects, innovative class discussion, projects making, art & craft activities, etc were organized for class I to XI for the all round development of the students.

We successfully held the PT 1, Half Yearly, PT 2 and the Annual Examinations for classes I to XI

The dates on which the tests & examination were held are given below:

- PT-1 was held from 18/07/2023 to 21/07/2023
- Half Yearly examination was held from 25/09/2023 to 09/10/23
- PT-2 was held from 14/12/2023 to 23/12/2023
- Annual Examination was held from 04/03/2024 to 16/03/2024

Staff (M.I.A. faculty)

The faculty at M.I.A. comprises of well qualified, learned and empathetic teachers with a desire to share the love of their subject with the students. We are fortunate to have with us a faculty of teachers who are ever eager to improvise and adapt to new challenges and demands so as to bring out the best in their students.

Creativity and innovation are the benchmarks in the field of Pedagogy and we continuously strive to incorporate it.

Environmental Education

For the survival and sustenance of mankind environment should be preserved and that can be achieved if students love their environment and search for ways to preserve it. This year being at home, the students planted saplings in and their houses.

Infrastructure and facilities

New classrooms are added to accommodate increasing student enrollment.

Our library now has an expanded collection of books.

The Science labs are upgraded and equipped with modern equipments for practical experiments. Smart classes are available for better understanding of the concept and develop multiple skills in students.

Staff Development and Training

Our teaching staff attended workshops and Teacher Training Programs to enhance the students assessment and improve classroom management etc.

The school also has some other facilities like:

- Segregation and proper disposal of waste
- The school uses energy saving electrical equipments
- The school has a green look with a lot of plantation all around

Parent Teacher Association

Regular PTM's are facilitated for the better communication between parents and teachers and new members of the PTA were nominated for the year 2023-224 Parents provide the valuable feedback and suggestions to the teachers and teachers in return provide them with academic work done and changes made in school for improvement. The PTA is a group of closely knit individual who work together for the betterment of the students. We thank and congratulate them for their continuous support and cooperation

ACADEMICS

Academics is the core focus of our school. All the possible efforts have been taken and, we will continue to take, to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution. We are proud to report that 2023-24 batches of X Standard students have brought laurels to the school by their excellent results. We achieved 100% results in CBSE class X.
