## ANNUAL REPORT 2025-26

**MISSION INTERNATIONAL ACADEMY (M.I.A.)**, Sambhal aims to be the pioneer of educational institutions committed towards nurturing and fostering eminence. We strive for excellence in each and every endeavor so as to achieve transcendence & take immense pleasure and pride to present to you a report of our activities and achievements of the past one year i.e. 2025-26

I am pleased to present the Annual report of MIA for the academic year 2025-26. This report highlights our achievements, challenges, progress and events held during this period.

### VISION

A vision without a task is dream; a task with a vision can change the world. Our vision can change the world. Our vision at M.I.A. is to turn mirrors into windows where we get to see the brighter side. Thus, removing ignorance and fear and making a society of rationalists and humanists who can understand, contribute and succeed in a rapidly changing society thus making the world a better place to live in.

**"Success is the sweet result of hard work combined with the desire to excel"**

### MISSION

At M.I.A., we perceive to inspire and enthuse children to develop into all round, confident and responsible individuals who aspire to achieve their full potential. We give them a pre-eminent, intellectual and a creative Centre for their growth. We now have an enhanced communication between home and school that allow for a better follow up system of support provided to the students and parents. We believe this will enable the students to quickly return to learning ways at school.

### PHILOSOPHY

We have significant accomplishments in A.Y 2025-26 under the motivating and proactive leadership of our Principal and our teachers. The school focuses on providing an authentic learning environment where students apply knowledge and skills from multiple disciplines so as to widen their knowledge. We focus on both curricular and co-curricular activities where students are trained to have within them responsibility, loyalty, team spirit and healthy competition.

Different class activities were organized from Nursery to Class XII to promote in learners critical thinking, creativity, imagination, and expressiveness through the digital tools and platforms.

Learning in play way method was adopted for better understanding of the students. Lots of colouring & drawing activities, games, clay art, fancy dress, poems, Presentation, dance & singing were organized. In Kindergarten, 'Jadui Pitara' online platform were used to teach children through play based activities. Various in hand games and activities for demonstration of the concept of different subjects, innovative class discussion, projects making, art & craft activities, etc. were organized for class I to XII for the all-round development of the students.

We successfully held the PT 1, Half Yearly, PT 2 and the Annual Examinations for classes Nursery to XII

**The dates on which the tests & examination were held are given below:**

- PT-1 was held from 11/07/2025 to 24/07/2025
- Half Yearly examination was held from 22/09/2025 to 04/10/25
- PT-2 was held from 06/12/2025 to 13/12/2025
- Annual Examination will be held from 02/03/2026 to 16/03/2026
- Result declaration /Convocation will be held on 28/03/2026

### **STAFF (M.I.A. FACULTY)**

The faculty at M.I.A. comprises of well qualified and empathetic teachers with a desire to share the love of their subject with the students. We are fortunate to have with us a faculty of teachers who are ever eager to improvise and adapt to new challenges pedagogy and demands so as to bring out the best in their students.

Creativity and innovation are the benchmarks in the field of pedagogy and we continuously strive to incorporate it.

### **ENVIRONMENTAL EDUCATION**

For the survival and sustenance of mankind environment should be preserved and that can be achieved if students love their environment and search for ways to preserve it. This year being at home, the students planted saplings in the school premises and their homes.

### **INFRASTRUCTURE AND FACILITIES**

New classrooms are added to accommodate increasing student enrollment. Our library now has an expanded collection of books.

The Science labs are upgraded and equipped with modern equipment's for practical experiments. Smart classes are available for better understanding of the concepts and develop multiple skills in students.

### **STAFF DEVELOPMENT AND TRAINING**

Our teaching staff attended workshops and Teacher Training Programs Organized by CBSE (COE) Dehradun and the publishers to enhance the students assessment and improve classroom management etc.

**The school also has some other facilities like:**

- Segregation and proper disposal of waste.
- The school uses energy saving electrical equipment's.
- The school has a green look with plantation all around.

### **PARENT TEACHER ASSOCIATION**

Regular PTM's are facilitated for better communication between parents and teachers and new members of the PTA were nominated for the year 2025-2026 Parents provide valuable feedback and suggestions to the teachers and teachers in return provide them with academic work done and innovative principal adopted changes made in the school for students improvement. The PTA is a group of closely knit individuals who work together for the betterment of the students. We thank and congratulate them for their continuous support and cooperation.

## ACADEMICS

Academics is the core and the focus of our school. All the possible efforts have been taken to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a growing institution. We are proud to report that 2024-2025 batches of X to XII Standard students have brought laurels to the school by their excellent results. We achieved 91.43% results in CBSE class X and 90.91% in Class-XII

### RESULT CLASS X

**Total strength of students - 36**
